PALI – 612600230

excl. 2x E27 · max. 25W

- **Montaje de techo**
- **IP20**
- **Bombilla(s) no incluida en embalaje**

With the stylish material mix of wood and glass, the ceiling lamp PALI gives living rooms a special atmosphere. The classic design looks timeless. The wall lamp is ideal for lighting kitchens, bedrooms, hallways and halls, but also provides reliable service in stairwells and staircases. The glass shade made of white wiped glass gives a particularly pleasant light. The frame made of light wood appealingly rounds off the timeless design. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.

Realización de la construcción

Madera natural · acabado natural
Vidrio · Blanco
