

Table lamp

JERRY – R50491080

excl. 1x E14 · max. 40W

- Cable switch
- Lamp(s) not included

The table lamp JERRY convinces with a timeless look and simple elegance. The table lamp is suitable as a complementary light on the dresser next to the sofa, or as a lamp on the nightstand next to the bed. The combination of a lamp base in matte black and a fabric shade in black-gold also creates a cozy and homely ambience. For energy-saving lighting, it is recommended to use an LED illuminant. These are an optimal alternative to conventional halogen lamps and stand for a high quality of light and energy savings of up to 80%. In addition, LED lamps help you benefit from a long service life, low heat generation and at the same time protect the environment.
